

Adel Elmatarawi
Senior Advisor Middle East
and North Africa

Short CV

Overview and Career

Captain Adel Elmatarawi commenced his airline career flying for Egyptair on the A 320 family. He then joined several international flag carriers in the Gulf Region flying the Airbus A 318 / A 319 / A 320 series as well as being an A 320 instructor.

Following that, he held a Quality and Safety Manager (Post Holder) position for Qatar Aeronautical College and most recently, he held an appointment in the United Arab Emirates General Civil Aviation Authority (GCAA) as a Senior Safety Risk Specialist (State Level).

He holds certifications in Quality Management System Auditing (QMS) and Safety Management System (SSP and SMS), in addition to earning a degree in Aviation Security Management (AVSEC) from Edith Cowan University, Perth, Australia.
